

### Applications

Electronic Equipment

Industrial Automation

Drives

### DATASHEET

# SINGLE PHASE SURGE PROTECTOR - S-SP

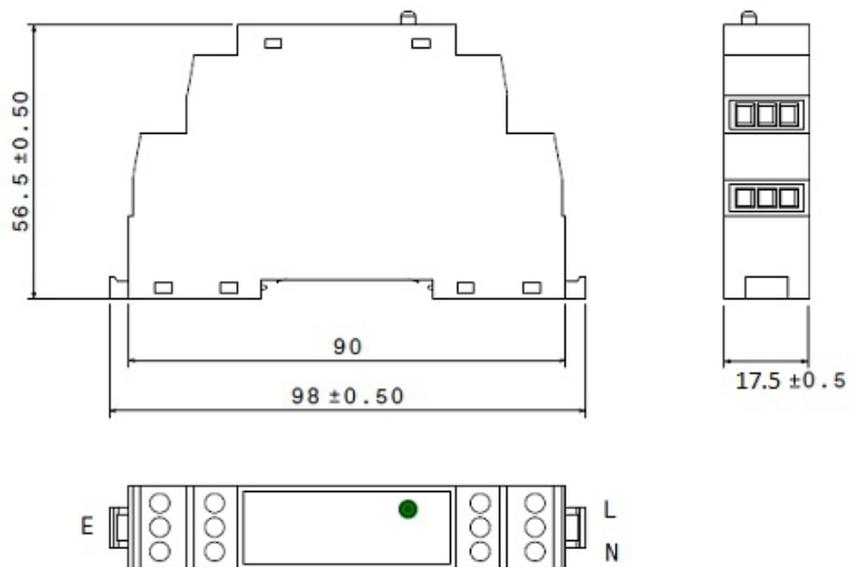

### Description

Voltage Spike Suppressor for circuit with high speed switching devices with LED Indication.

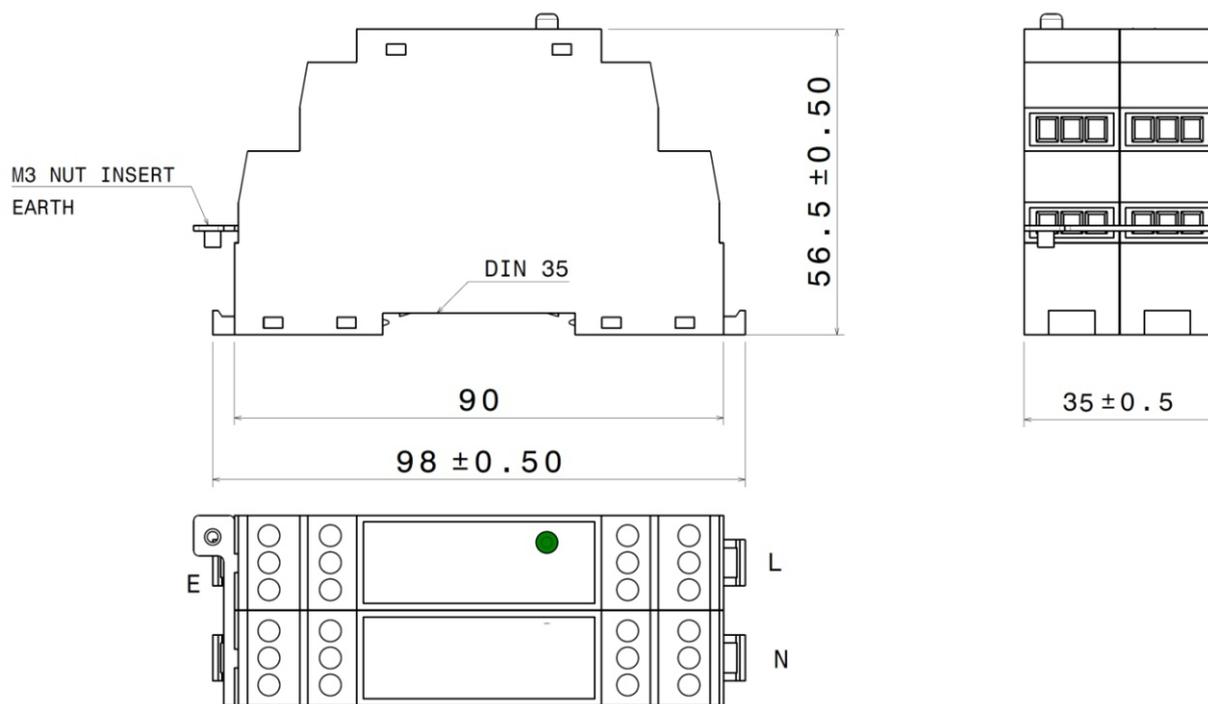

Model Number	Ordering code
S-SP - 20kA	SP1P20KALED
S- SP - 40kA	SP1P40KALED

### Technical Specifications

Continuous Operating Voltage	250 VAC
No. of Lines	Line and Neutral
Transient protection	20kA & 40kA
Pulse Shape	8/20 $\mu$ s
Operating Temperature	-25°C to +85°C
Storage Temperature	-30°C to +85°C
Enclosure	Polyamide Nylon, PA-UL 94 V0
Power Connection	Shock Proof Connectors
Mounting	Din Rail Mounting
Failure Monitoring	LED Indication

For 20kA type

For 40kA Type
